FREQUENTLY ASKED QUESTIONS

Who will I stay with?

You will be staying with students in the same grade and gender as yourself. Each group will average around ten students and one group leader. You can request a friend to be in the same home with you in the online registration process.

Where will I be staying?

Members of First Baptist Church, Woodstock have opened their homes for you this weekend. They lead Sunday small groups for middle school or are parents of middle school students. They live within a short distance from the church. To request a specific home, please email ashleigh.weniger@fbcw.net.

Can I leave AWAKE?

Yes. We understand families have many plans on the weekend so if you have to skip out of part of the weekend for a sporting event, school activity, or family engagement please fill out the "Time Away" form on the next page. Of course, the weekend works best if you're at all of it, so please try to arrange to attend the whole thing!

What does AWAKE cost?

\$80 covers the cost for the entire weekend including Skyzone, worship, Capture the Flag, transportation, and food! The price will go up to \$90 on October 20. You can pay online or by check. If you don't have \$80, we have a limited number of scholarships available. Please fill out the form on page 4 and turn it in as soon as possible. If your situation changes and you are unable to attend, full refunds will be granted until October 20.

Can I use my cell phone?

Yes. Students will be allowed to use their cell phones during the weekend. However, they are not allowed to be used during small group and worship sessions. Leaders are authorized to take them up if they are a distraction or are being used in inappropriate ways.

What if I have allergies?

You can enter any allergies during the online registration process. If you have a specific food allergy that requires special arrangements, please notify ashleigh.weniger@fbcw.net.

Who is Chad Poe?

Chad preaches God's Word through storytelling, media, and visual experience. As a result, the Scripture is clearly presented in order for people of all ages to examine and apply Biblical truth to their everyday walks of life. As someone not simply called to speak, Chad believes in the importance of relationship and seeks to get to know people when he is away from the stage. Ultimately, Chad hopes to see people moved into a deeper relationship with Christ. In turn, they will live lives of action that impact their world. See more at chadpoe.com.
